### Congratulations!

To our Men's Surf Boat Crew on winning a Gold at the recent Masters State Championships! They still have the Senior State Championships to come on Sunday 16<sup>th</sup> March at Moana, so good luck then too.

### Help us be waste thoughtful!

We have moved into the 21st Century and now have the 3 bin system! Could everyone please use each bin for their intended use...

**Blue Lid - General Waste**

**Yellow Lid - Recycling (paper, cardboard, hard plastics, rinsed tins & glass)**

**Green Lid - Green Waste & food scraps**

There are biodegradable green bin liners and food scrap caddy's in the kitchen, please ensure these are emptied into the green bins DAILY!

**ALL 10c Recyclables should be placed in the crates and heshen bag behind the club, glass bottles go in the wire crates and cans & plastic bottles in the heshen bag.** These are collected on a regular basis by the South Coast Bottle & Can Co. who transfer the \$ for them to the Club account.

### Grant Success!

Club One - through Clubs SA, \$550 towards Surf Boat Helmets  
Volunteer Support Fund - Department for Communities & Social Inclusion, \$1000 for patrol training equipment

Active Club Program - Office for Recreation & Sport, \$3000 for member training, sport equipment and uniforms

Although these grants do not make a huge reduction in our operating costs they are still a great help! If anyone knows funding opportunities for the club, please let us know...
