

SEPTEMBER, 2023

CHITON ROCKS SLSC NEWSLETTER

Working Bee

In preparation for summer and the new season, the annual working bee will be held on the 23rd and 24th of September. This is a fantastic opportunity for members who aren't currently patrolling or have any role in the club as it will fit the criteria as a contributing member for the 2023/2024 season. Lunch and a drink will also be provided for all volunteers.

It would be amazing to see as many members as possible come down and help with a few tasks. If you would like to help with some jobs around the club, please put your name down on the [jobs list](#). Even if you are not able to come down on the nominated date but can complete a task on another day it would be much appreciated. Please write down your name and a date for when you can have the job completed.

We look forward to seeing everyone there!

New Cafe Owners

We are excited to announce that there will be new café owners at Chiton Rocks. We would like to welcome Phil and Cassie, who will be running the 'The Chiton Restaurant'. Phil and Cassie currently operate the Pelican Bistro at Goolwa Surf Life Saving Club. 'The Chiton Restaurant' will be opening on Friday, September 29th and bookings are now available for the opening night. Table reservations will be available via message at 0481 005 715.

Patrol groups and roster

A reminder to all patrolling members that the patrol roster and groups have been sent out via email for the upcoming 2023/2024 season. If you find any scheduling conflicts or cannot attend any of your allocated patrol dates, please proactively seek substitutes and inform your patrol captain as soon as possible.

We look forward to seeing you for the 2023/2024 season!

Nippers 2023/2024 Season

The Chiton Rocks Nippers season will commence on Saturday, October 28, 2023, with the first session to be held at the Fleurieu Aquatic Centre (Hayborough). September 23rd and
24th

First day of patrol

October 7th

Club Open Day

October 7th

Proficiencies and Skill Maintenance Notice

Skills maintenance will be held at 9 am on the first date of each patrol. Before completing your skills maintenance, please ensure that you have renewed your membership for the 2023/2024 season and have completed the online theory. More information will be provided at a later date via email with a link to register. For any questions or concerns, please email William at training@chitonrocks.com

Delay in operable walls

Please note that there is a slight delay with the instillation of the operable walls for the training/meeting room in the cafe. The estimated completion time will be late October.
