Make sure you attend one of the 3 proficiency sessions that have been scheduled and complete a refresher of all awards you are qualified for as there are quite a few important changes for this season

Cover as much of our stretch of beach as possible during patrols

We need to expand our services when we have the numbers so don't be afraid to send off roving patrols on foot, in the ATV and IRB - let's be seen as much as we can and encourage people to swim between the flags

Be Professional while in uniform...

Remember when you are on patrol and in patrol uniform to stick to your patrolling duties and only those that you are trained and proficient in...
