Seeking some Help

We are a bit light on with helpers. There are a number of jobs that don't require a big commitment just some computer skills or social skills.

If you could help with one or more of any of the following tasks it would be a great help and contribution to the club:

Webpage updater - we sometimes need to update some information on the website and it would be helpful if someone could manage those updates for us. It's very easy, just like using Word.

Social Events Coordinator - it would be great to go back to having monthly member nights with maybe the odd Quiz night, wine tasting, and 100 Club.

Publicity Officer - Social media updates, contact with the local newspapers - this could be combined with the Webpage updater

Photographer - often at our events everyone is so busy enjoying themselves, we forget to take photos! Having someone volunteer to be the photographer at that event would be great!

Secretary - Agendas, Minutes, Club communications, club documentation (Google Drive)

Youth Coordinator - assists the Club Captain and Vice Captain to organise some youth activities Bazz Paynter has helped put together a program and provided some knowledge and experience but he is also a Nipper Age Group leader, Hospitality Manager, Patrolling member and busy with BOM duties as well.

Merchandise Coordinator - just keep an eye on the clothing, stocktake, and order more if required.

The BOM is currently reviewing roles and responsibilities which should look a lot lighter once the new cafe arrangements are finalised. We often have some small tasks that just require an extra pair of hands. It would be great if you could let us know how you might be able to offer some help. With the end of the season, we have a number of members taking holidays so looking for helpers just to fill in for short stints. If any of these sound like something you would be able to help out with please email our president Genny at president@chitonrocks.com

Nippers

We have had a successful nippers season this year, though numbers were down in previous years we managed to get nice weather for most of the sessions. The kids had a wonderful time both at Chiton Rocks and at Middleton for the Surf Sessions. For this programme to continue into the future we require parents to volunteer to be on the Nipper committee, if you are willing to help out in the space please send an email to nippers@chitonrocks.com.
